Nancy,

Sorry it's taken my until now to get
back to you. How does 10am, Friday, work for your group?

Hi Nancy,

Friday would work best for us. Please let us know what time would be best to arrive.

Thanks again,

Chris

Nancy –

As a follow-up to my email below, the infill installation is still on schedule to start this Wednesday August 17, 2016. (Weather forecast attached)

Looking at the weather with the chance of rain on Thursday it probably would be best to schedule a visit on either Wednesday August 17, 2016 or Friday August 19, 2016. Can you please confirm which day works best for you and coordinate visit onsite with Tim Jordan.

Nancy-

As a follow-up, the infill installation timeline is tentatively scheduled for August 17 – August 22, 2016.

We can follow-up a couple days in advance to schedule a meeting onsite with our crew and Tim Jordan to review process and answer any questions.

Any questions please let me know.

Thanks,

Mitchell Truban – CFB-S

Hi Nancy,

Thank you. We will pencil in the installation in mid-August, but would it be possible to schedule a conference call with the sales team for a time in July? Times that work for us in the next two weeks are:

- Wednesday, July 20, 9-10
- Wednesday, July 20, 10-11
- Thursday, July 21, 9-10
- Monday, July 25, 2-3, or
- Tuesday, July 26, 2-3

Thank you and best regards,

Ksenija

Ksenija and Chris, Unfortunately, next week will not work for you to observe the installation in Ft. Meade. However, they have another one going in in mid-August in DC (which should be more convenient for all concerned). Pencil this in on your schedule and we will reconnect in early August.

Nancy-

After discussing schedules and trying to coordinate a site visit with our team, it looks like next week will not work for everyone's schedules. We have another project with SCM

Kipp Field

1401 Brentwood Parkway NE

Washington DC

Tentative Infill Installation Date – August 12, 2016 – August 16, 2016

Let's connect around August 1, 2016 to verify project is still on schedule.

Any questions please let me know.

Thanks,

Mitchell Truban – CFB-S

Mitchell and Tim, thank you for the information about the installation next week in the Washington DC area. I will pass this information along to the staff at EPA who gave us the request. I suspect that they will be most interested in observing. Can you give me a better sense of the timing—what day, and time of day, do you think the installation will occur?

Nancy

Nancy –

Good morning, as a follow-up to your conversation with Heard we have the following project you can visit and observe the infill installation next week.

Meade Senior High School

1100 Clark Road

Fort Meade, MD 20755

AstroTurf 3D3 – 52oz/SY	98,507 SF
Ambient SBR Crumb Rubber -	~214,000lbs
20-40 Silica Sand -	~214,000lbs

I spoke with Tim Jordan this morning our Regional Manager and he will be in the area next week and can meet you onsite to help answer any questions.

Tim Jordan – (804) 928-7444

tjordan@astroturf.com

Any questions please do not hesitate to ask.

Thanks,

Mitchell Truban
